

CLEOPATRA: FROM AFRICAN QUEEN TO LIZ TAYLOR

a talk by **Shelley P. Haley**

Professor of Classics and Africana Studies at Hamilton College

Wednesday • February 10, 2010 • 7:30 p.m.

Imagining America

Although Cleopatra was a minor player on the broad stage of world history, we continue to be fascinated by her. Professor Haley will explore the reasons for our continuing fascination and show that our views are not very different from those held by the ancient Roman male elite.
