

NOT IN MY BACKYARD?

How To Go GREEN Without Harming The Neighborhood.

a talk by James Ring
Winslow Professor of Physics Emeritus
Hamilton College

Stabilizing the global environment without doing harm to the local environment is not an easy task. There is, as the economists say, no such thing as a free lunch! Shakespeare's King John said, "The glorious sun stays in his course and plays the alchemist, turning with splendor of his precious eye the meagre cloddy earth to glittering gold." Does that gold have anything to do with a free lunch?
